

## 4th Annual Championship

**Teams with Bids to the 2024 USASF Cheerleading and Dance Worlds have a unique opportunity to be judged before Worlds by experienced Worlds judges!**

In a world where the cheerleading and dance industries continue to thrive and evolve, teams are constantly pushing their limits. Many teams are now using the entire month leading up to the event not just for practice, but for a meticulous refinement of their routines. This process for some may be minor adjustments but for many full scale re-choreography, new music, and what would Worlds be without Worlds Uniforms.

Gym owners and Coaches invest tremendous dedication, pride, financial resources, boundless energy, and unwavering belief in their teams. They agonize over whether they've left no stone unturned in their pursuit of the collective dream.

At WINNERS CHOICE, our unwavering commitment has always been to support our clients in achieving their dreams and surpassing their own expectations. In keeping with this spirit, we created the Premier Championships—an extraordinary competition like no other.
